

***We Deliver Stuff!***

Hi, I'm Tina the Truck!

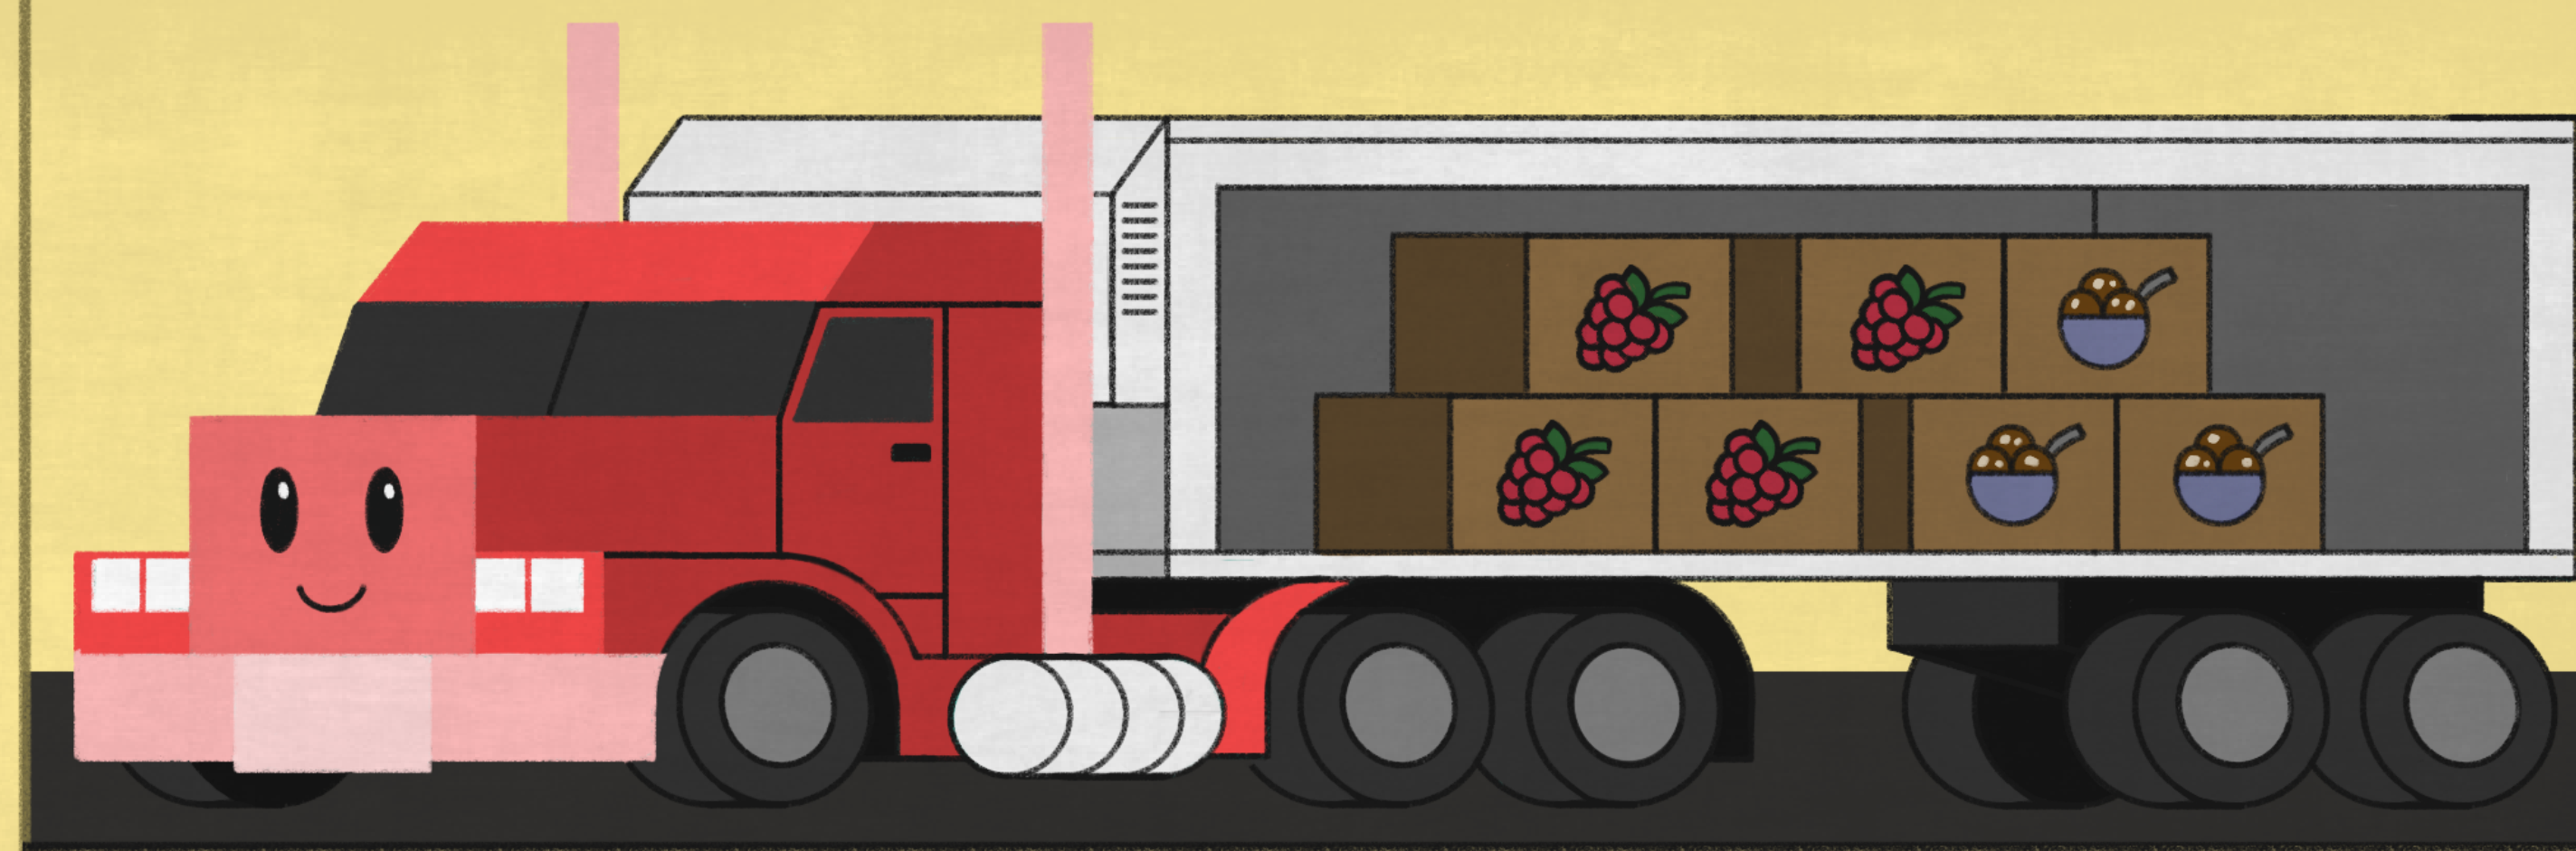

These are my friends,  
Ricky the Reefer and  
Franky the Flatbed.

Not to brag, but  
*we're kind of a big deal.*

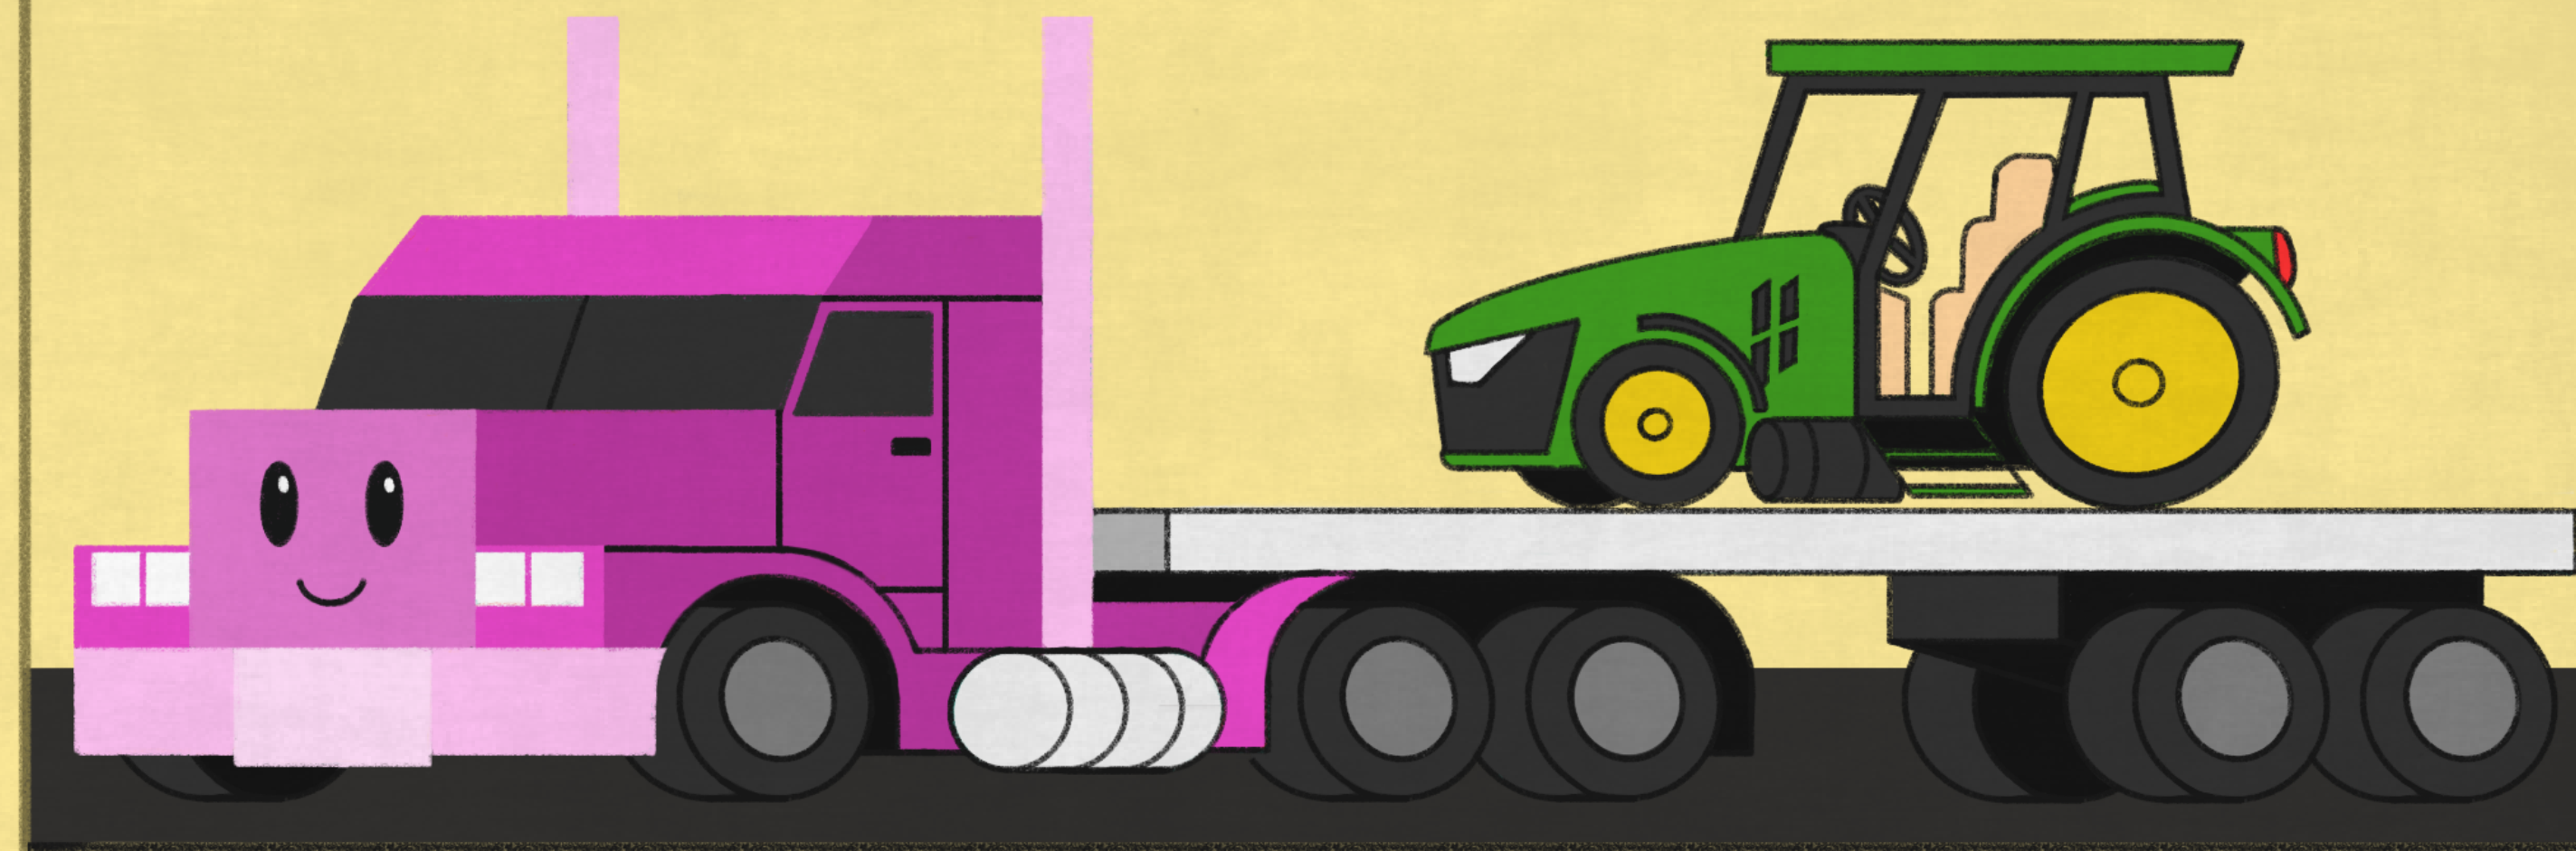

Why? Because we deliver stuff!

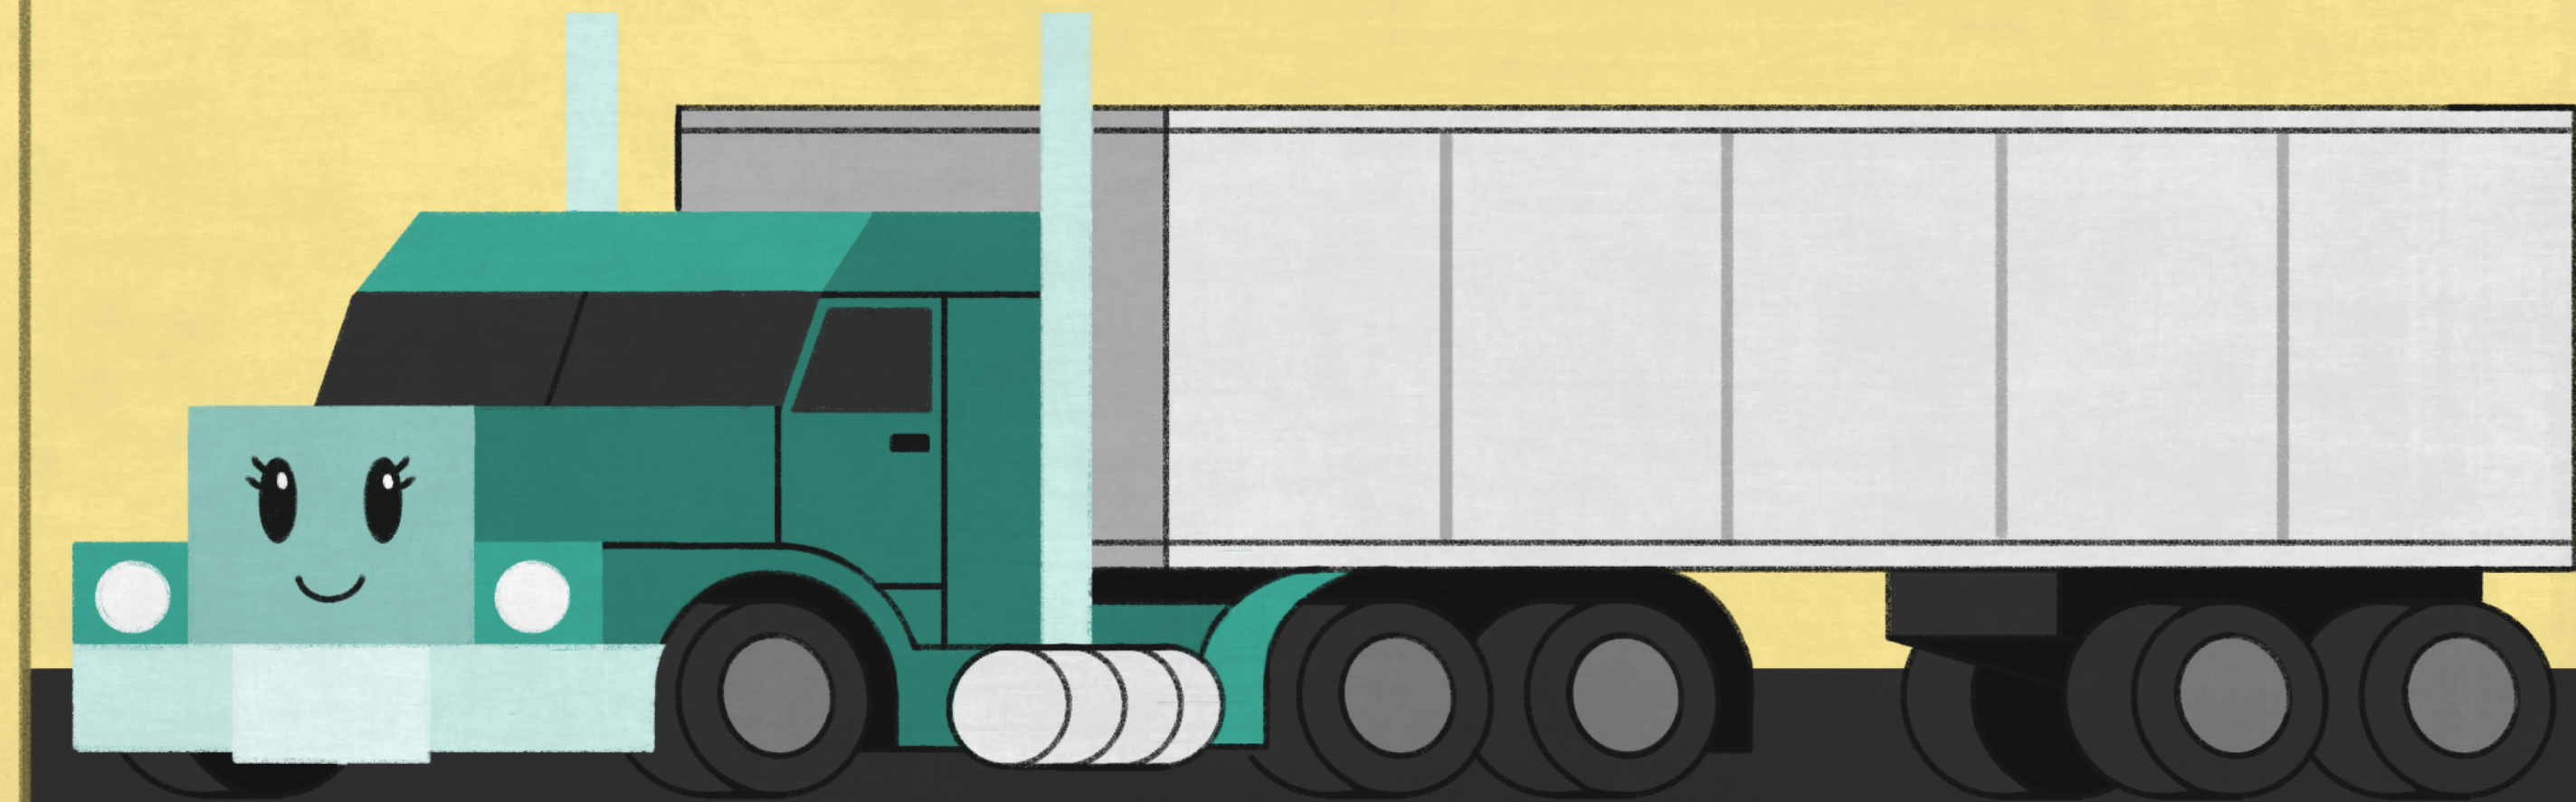

Ricky is the cool one.  
He delivers yummy stuff  
like Rocky Road ice cream.

Franky is the tough one.  
He delivers heavy stuff  
like farm equipment.

And me? Well, I deliver  
just about everything else!

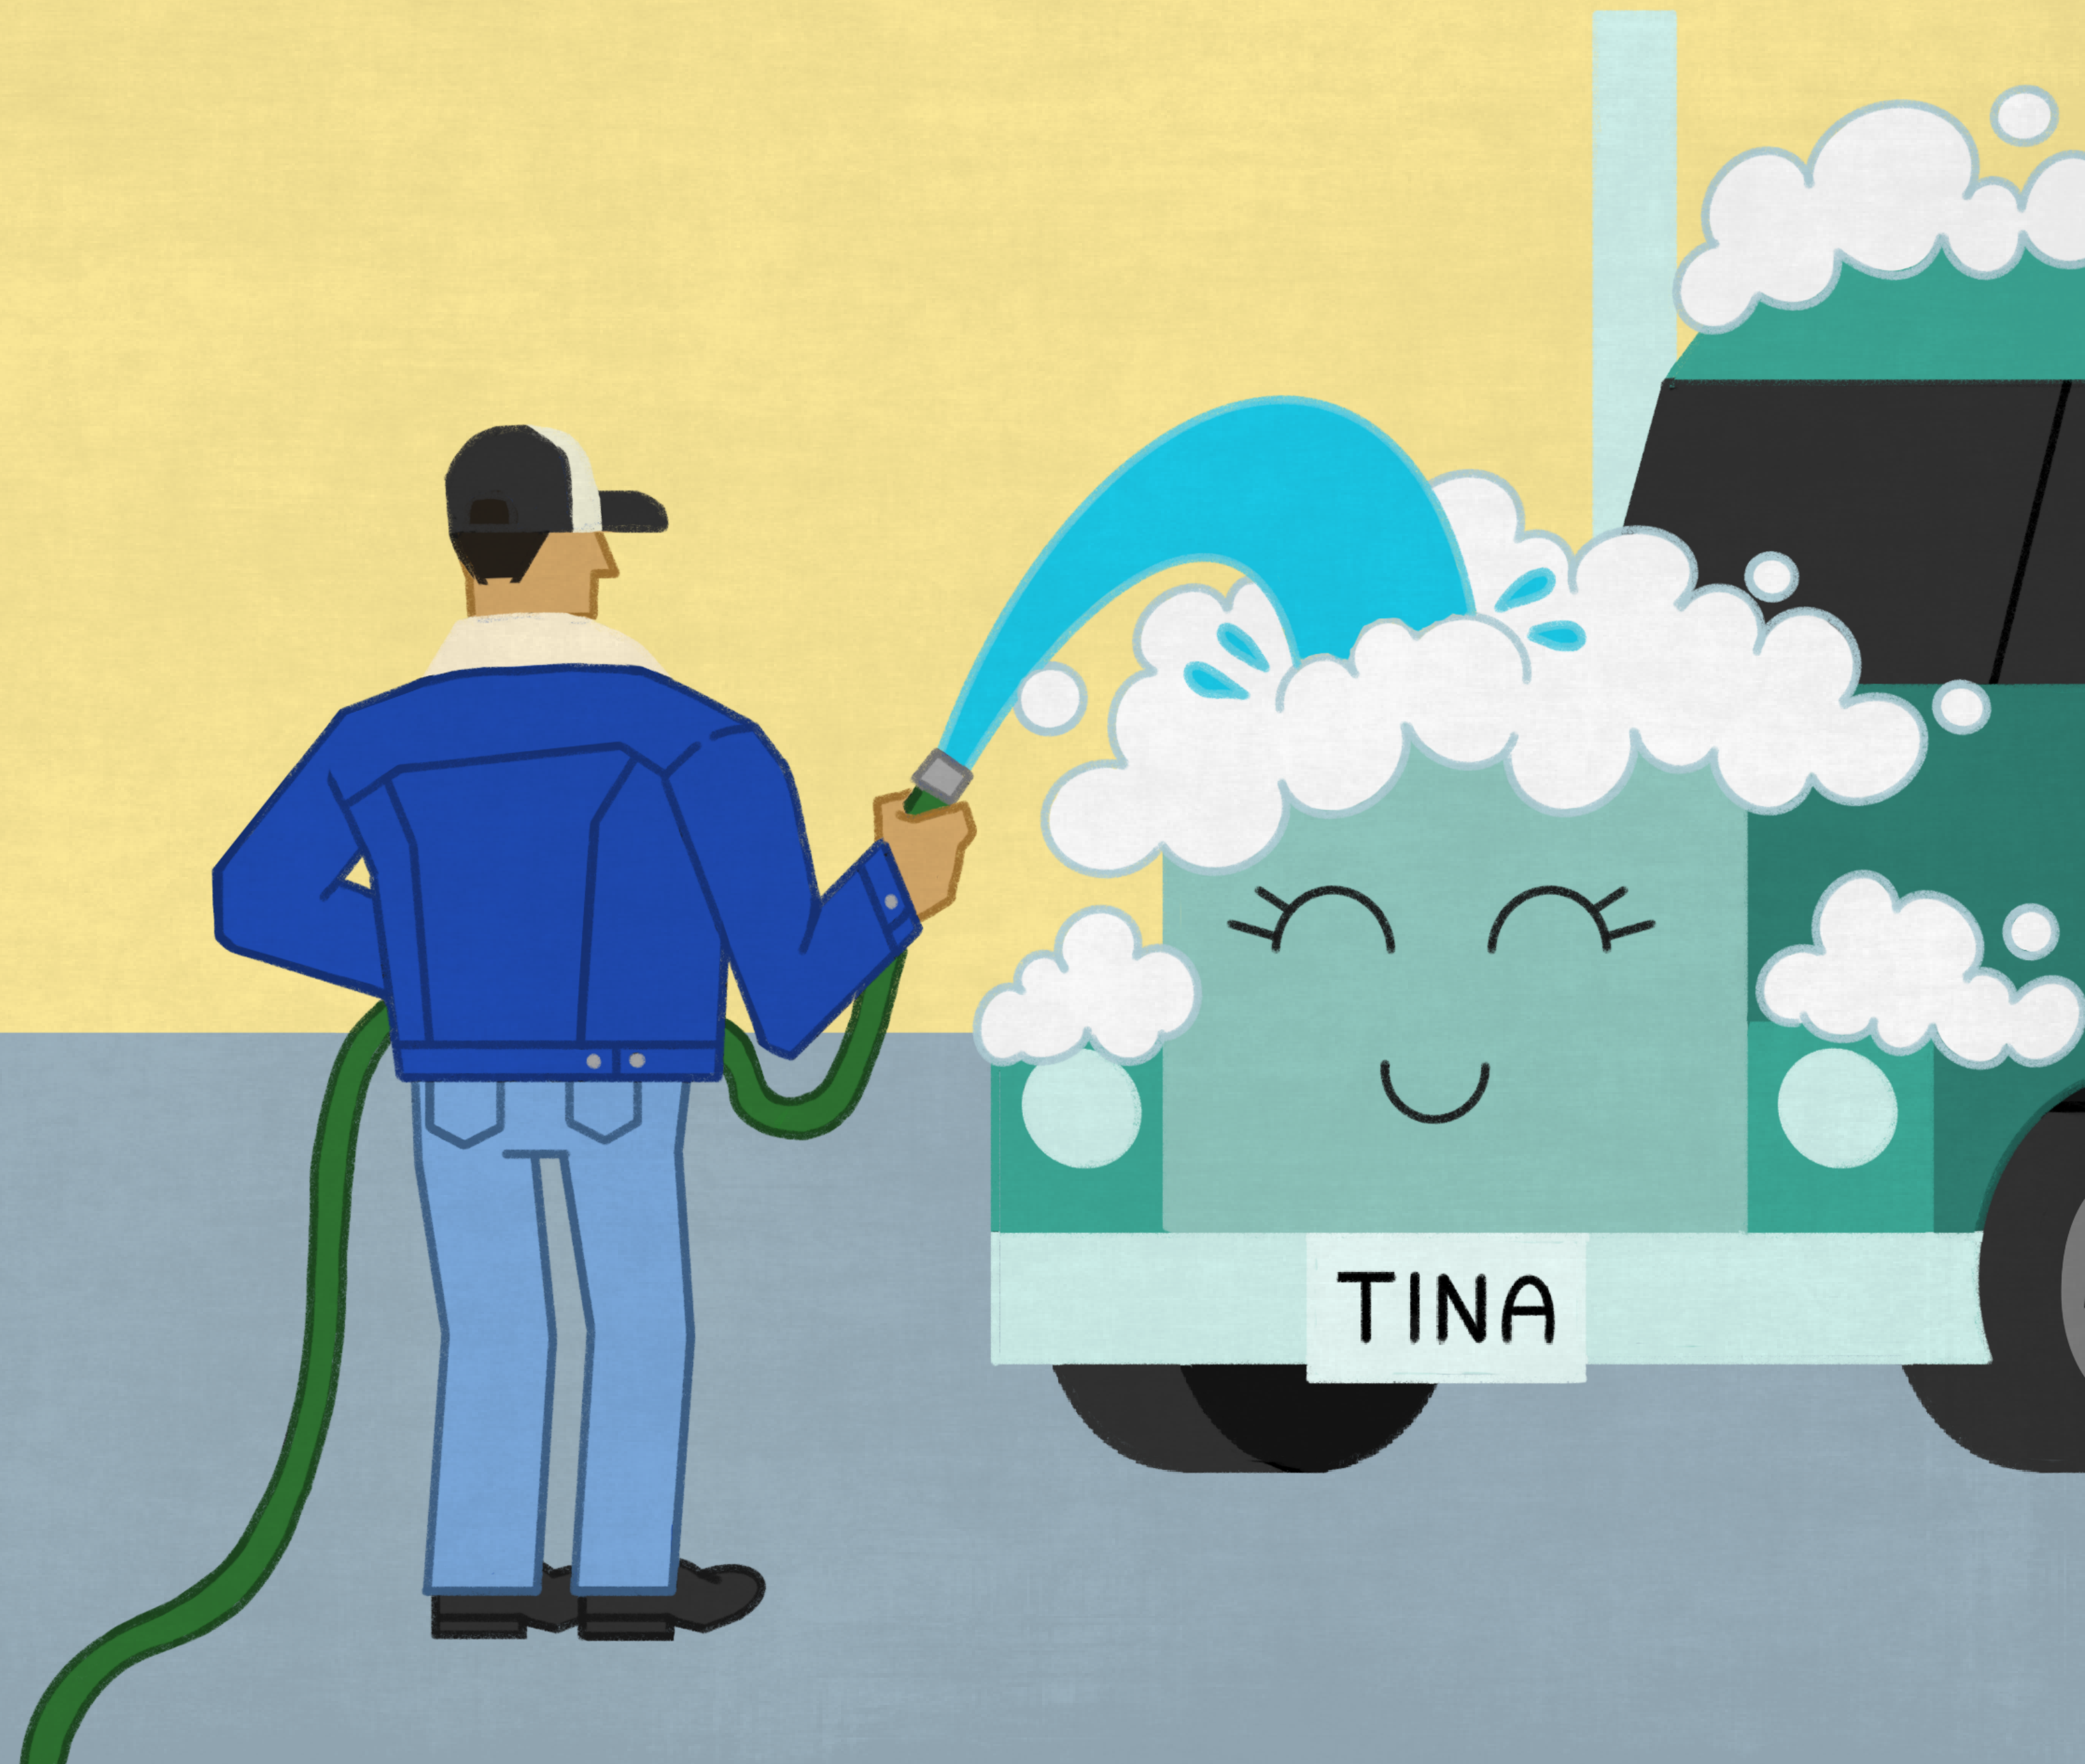

Yep, trucks are pretty awesome –  
but we couldn't deliver a thing  
without our drivers!

My driver's name is Dave.  
When there's work to do,  
Dave wakes me up bright and early.

He gives me a bath, puts air in my  
tires, gas in my tank...

And then away we go!

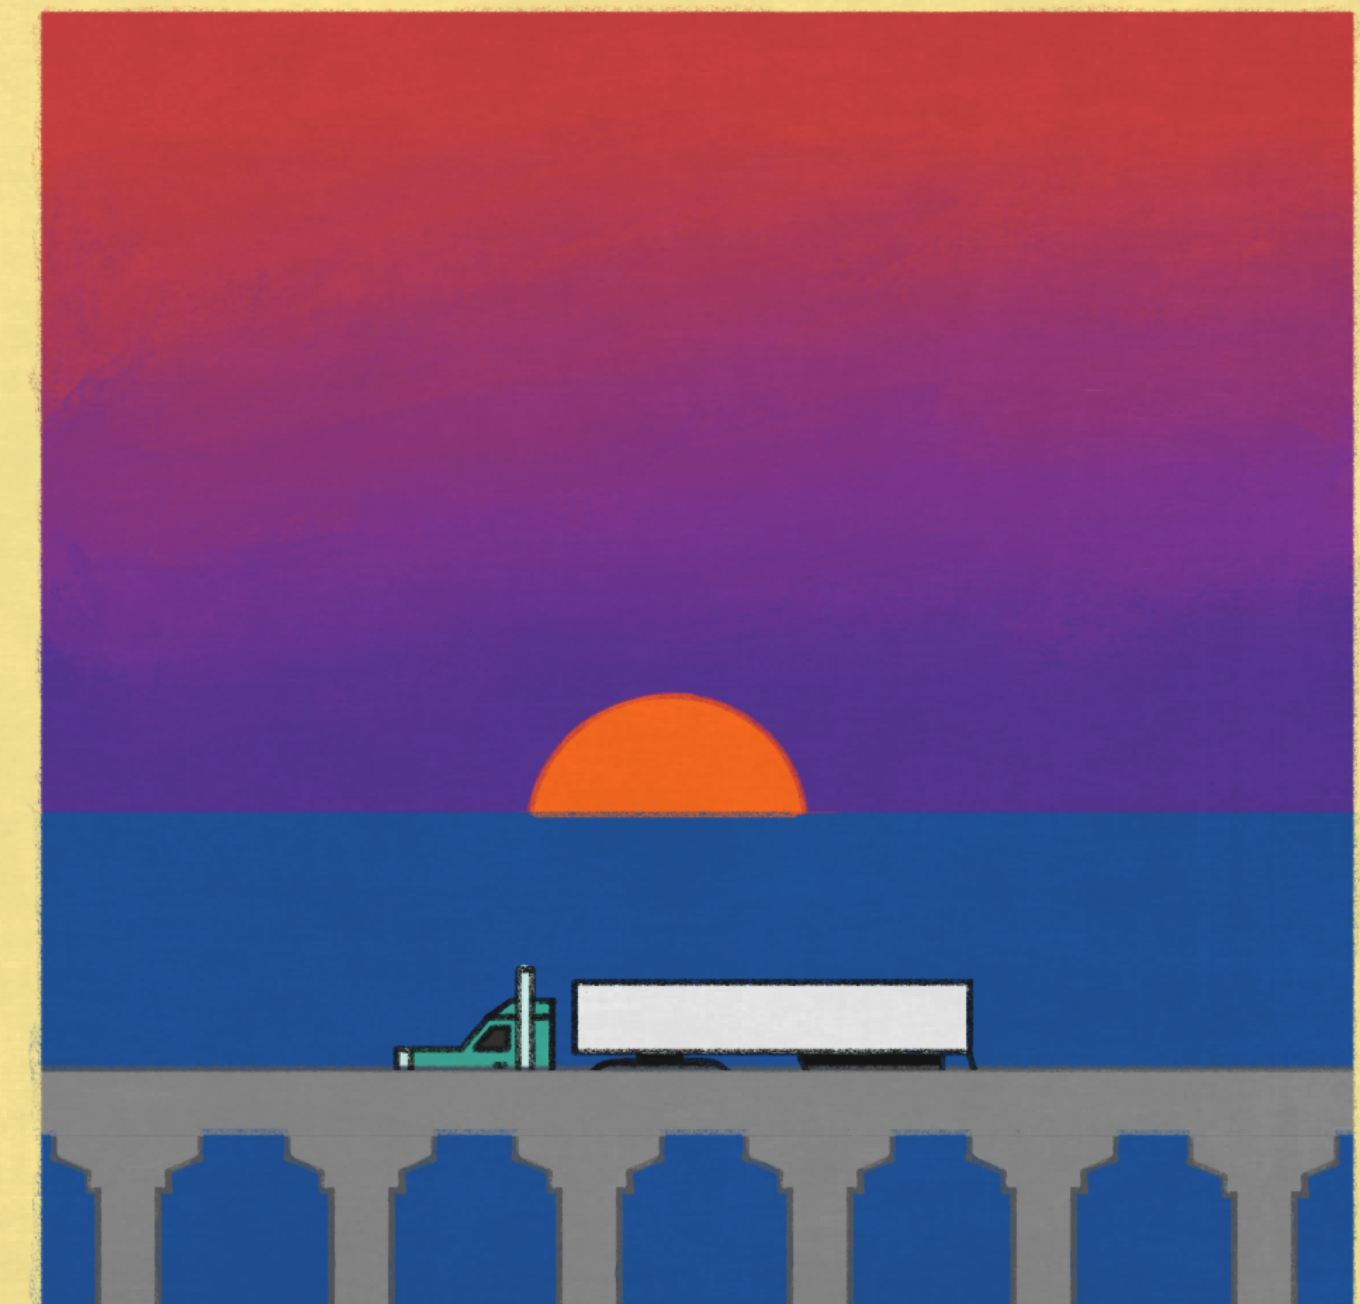

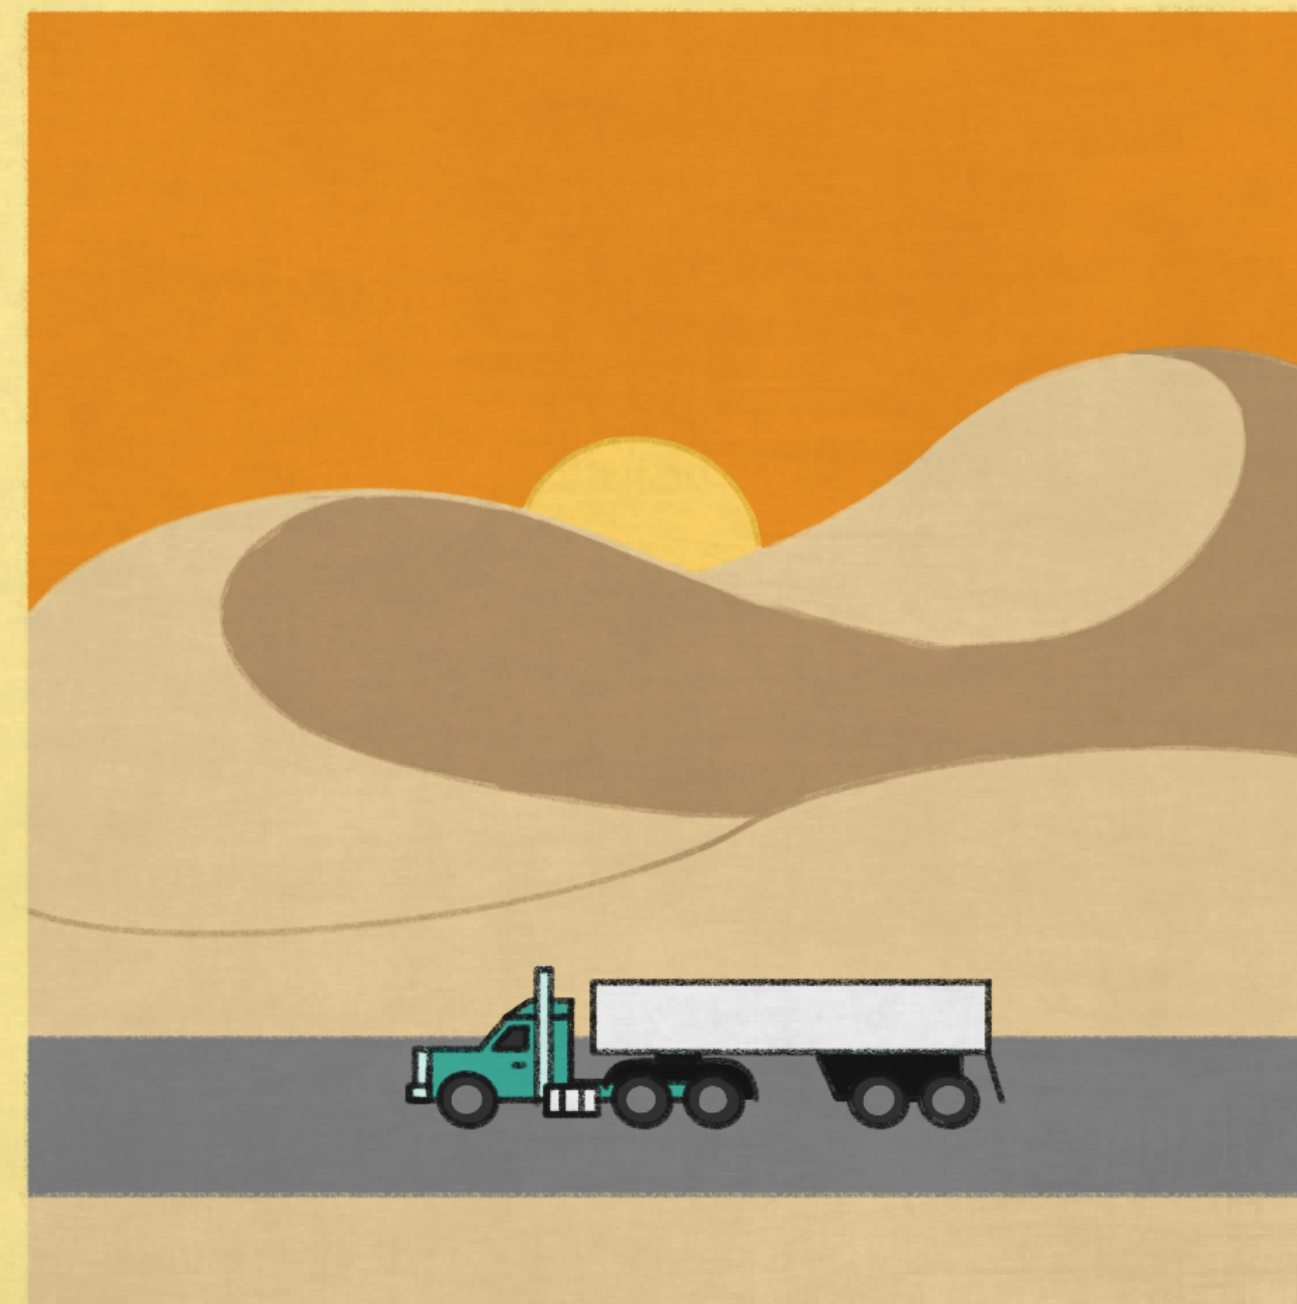

Every delivery  
is an adventure with Dave.

We climb mighty mountains...

Visit big, busy cities...

And watch the sunrise over the  
desert and set over the ocean.

But the road can  
be hard sometimes, too.

We get stuck in storms  
and traffic jams.  
My engine overheats.  
My tires get tired.

And on long trips,  
we miss everyone at home.

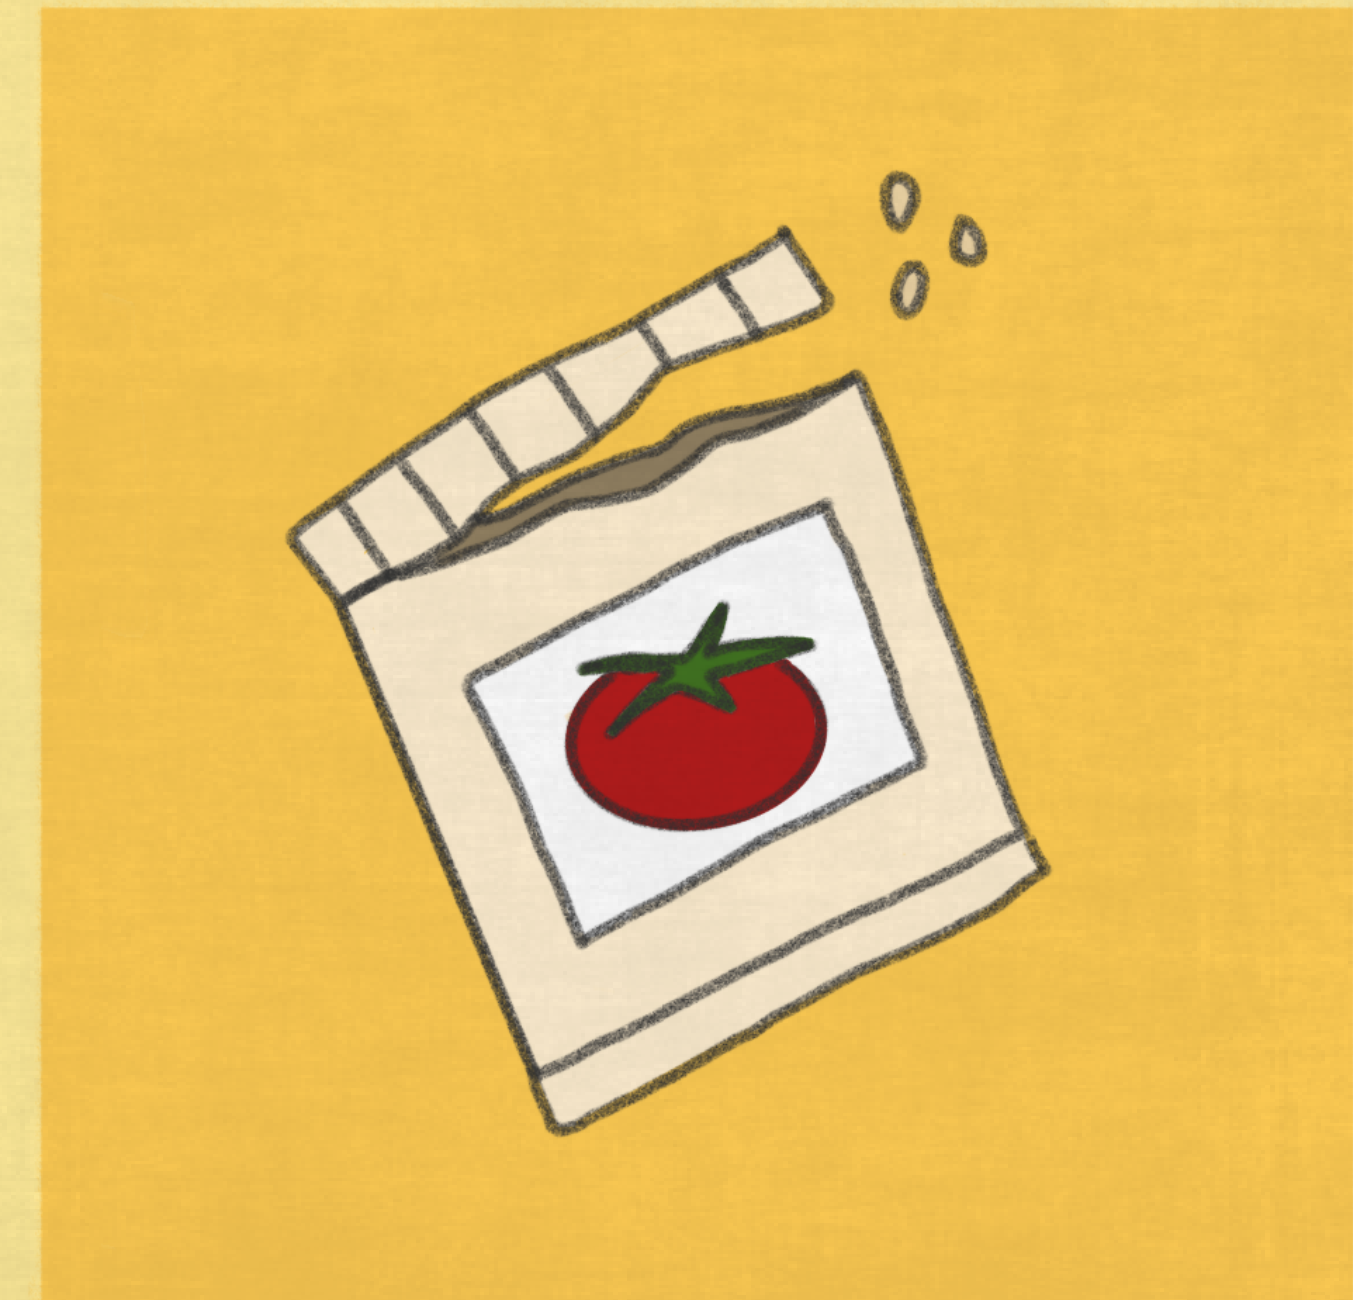

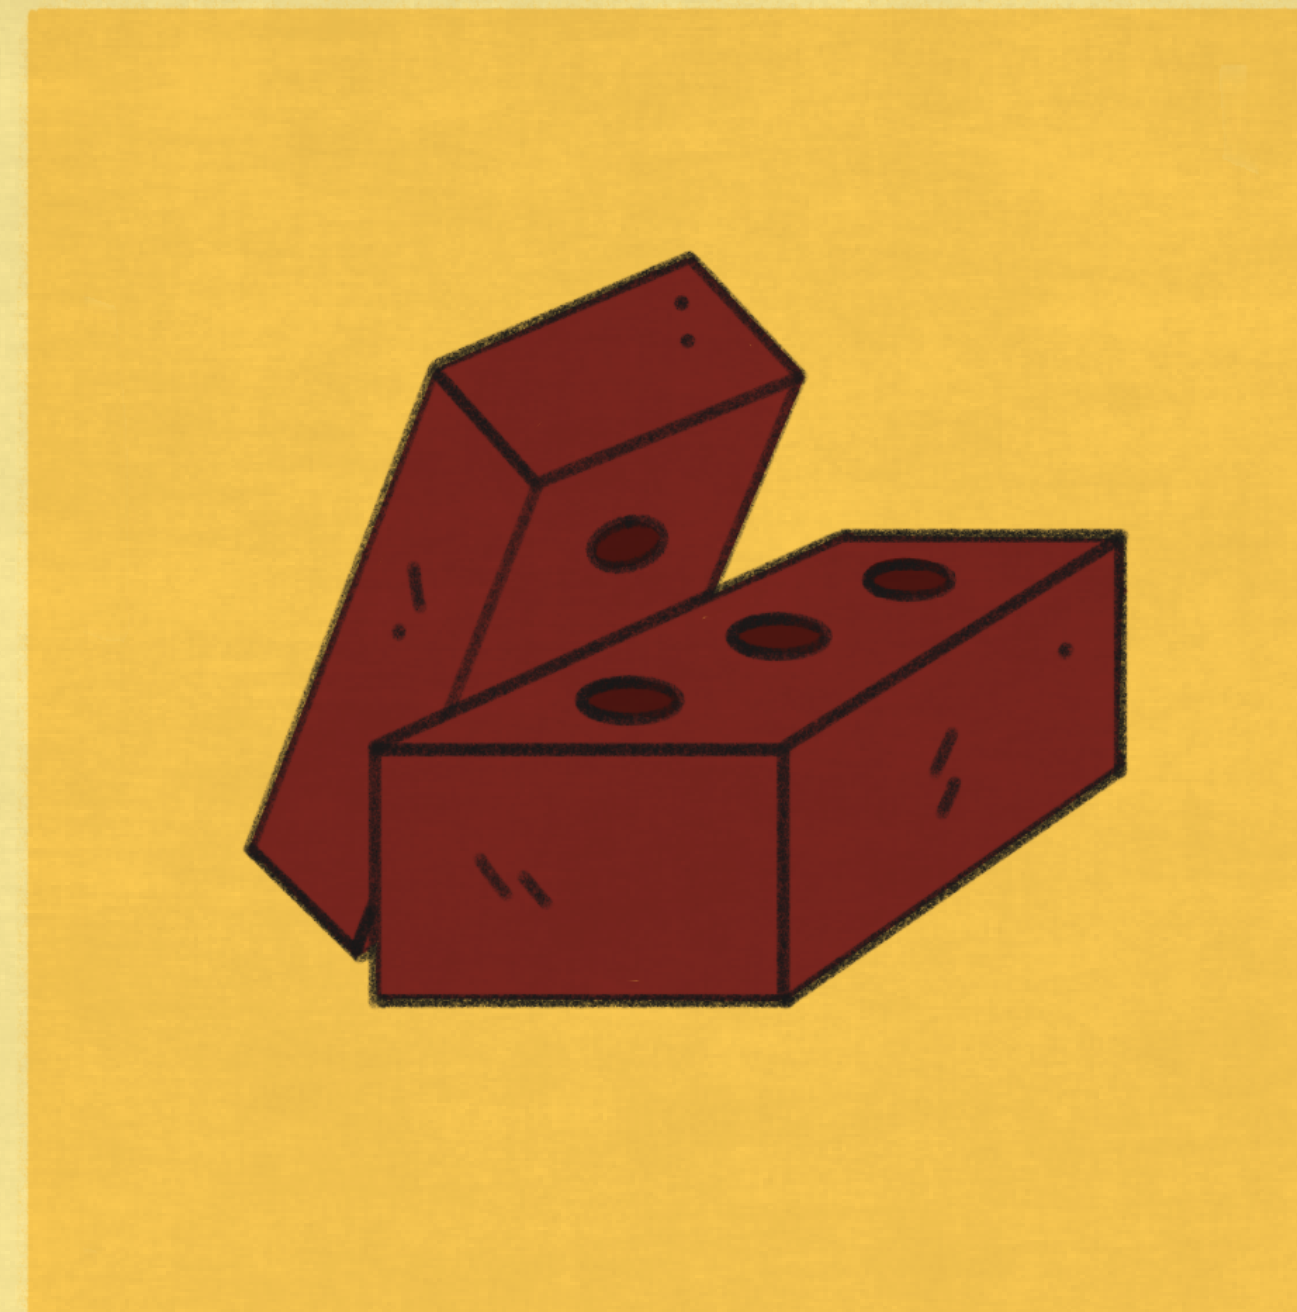

So what keeps us going  
when the going gets tough?

All of the people  
who are counting on us!

Builders and bakers...  
Grocers and gardeners...  
Mechanics and farmers...

Even you and your family!

So, come rain or shine,  
Rough roads, bad traffic,  
or breakdowns,

We find a way to deliver  
so they can...

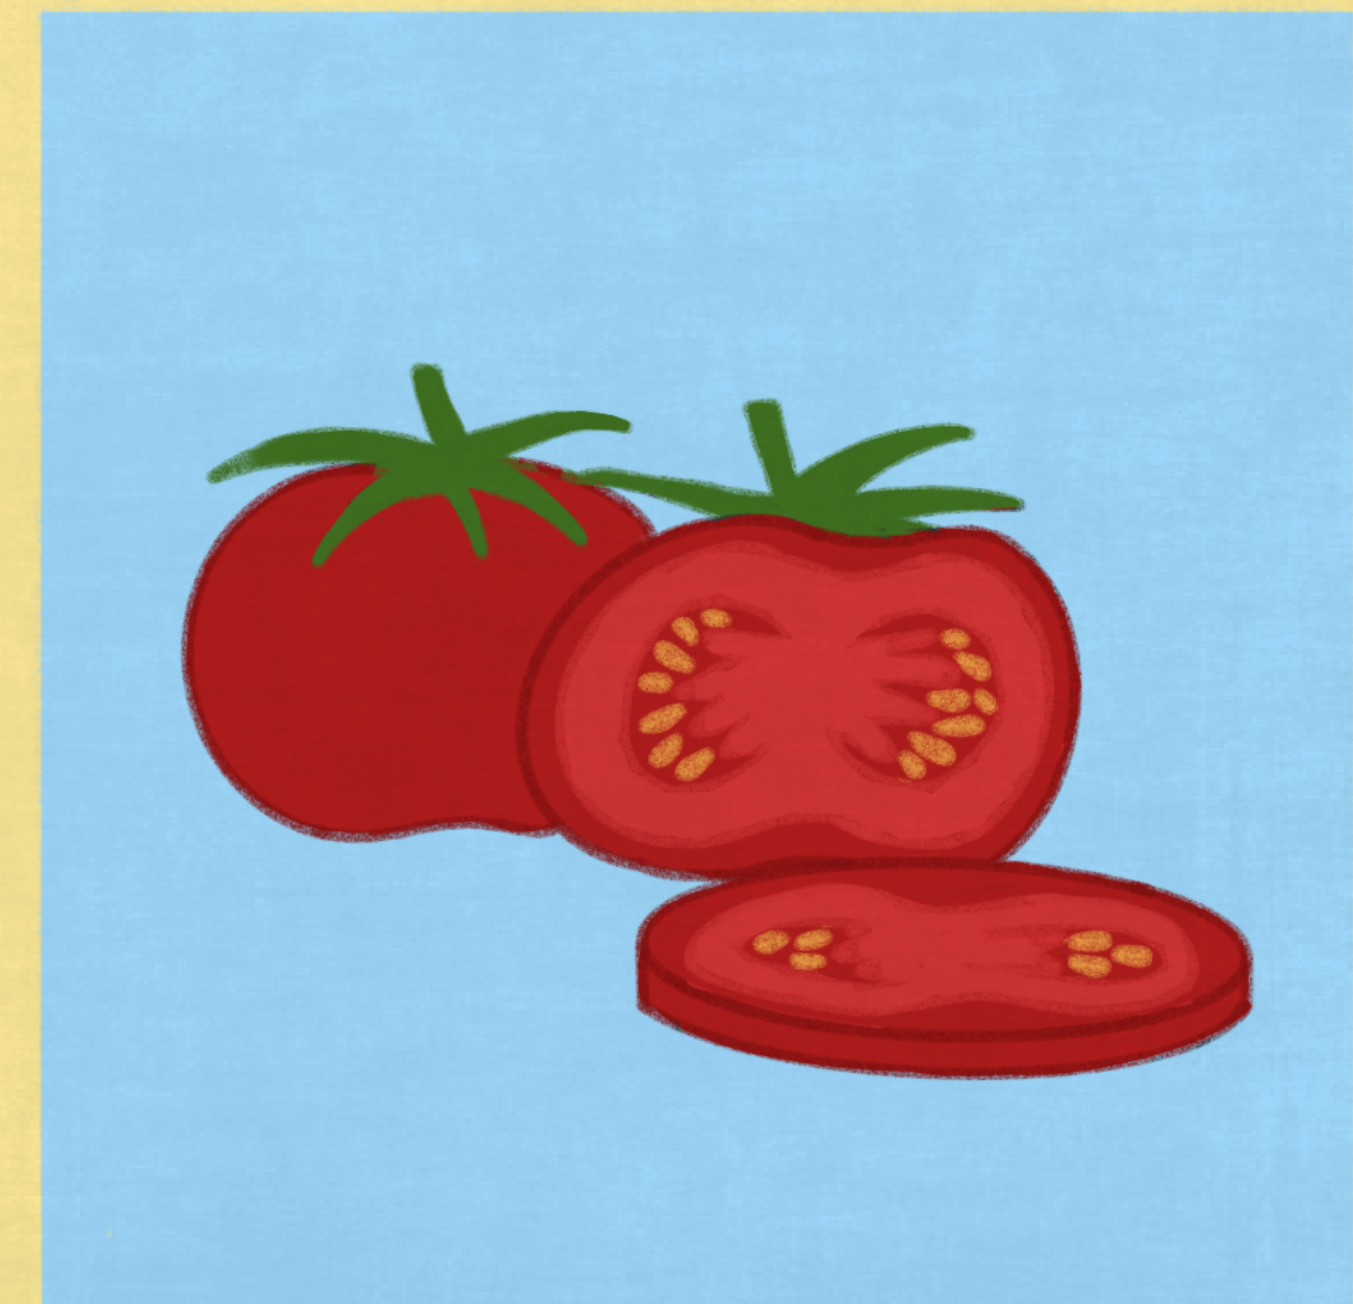

Build homes...

Bake bread...

Fix cars...

Grow fresh food...

And so much more!

And when our deliveries are done,  
Dave drives me back to the garage.

Before bed, the gang and I talk  
about all the wonderful people  
we met and all the amazing things  
they're gonna do with the stuff  
we delivered.

Finally, Dave says “goodnight,”  
closes the garage door, and heads  
to his last stop...

Where his favorite  
customers are waiting.

Special thanks to  
Joel Gullickson, Alexier McCall, David Vidri,  
Peter Dill, and Alivia Montgomery  
for bringing this idea to life.
